

# Counseling

---

Disability Support Programs & Services offers specialized, disability specific, advisement and counseling services for all registered disabled students. Among these services you will find:

- **Intakes**  
Counselor provides orientation and outlines DSPS services and programs; reviews all policies and responsibilities a DSPS must meet. Includes outlining student accommodations and rights while at CRC.
- **Disability Management**  
Strategies to minimize disability-related challenges and to increase likelihood of positive life and educational outcomes.
- **Academic Advisement**  
Advice on course selection and procedures for enrollment.
- **Academic Counseling**  
Counselor led solutions to academic issues and difficulties. Includes accommodations and probation/dismissal status guidance.
- **Personal Counseling**  
Short term assistance with personal difficulties that may be impacting academic performance.
- **Career Counseling**  
Exploration/discovery of possible career/educational options.
- **Course Planning**  
Short term (2-3 semesters) course planning assistance to help you reach your educational goal (ie. Certificate, degree or transfer).
- **Referrals**  
Information about campus and community resources that provide additional support in educational services or career/job placement. Examples include California Department of Rehabilitation, Financial Aid, EOPS, etc.
