

An Invitation from

Let us help you get the tools you require to pursue your educational goals!

Brought to you by

Do you know? You can get a refurbished **computer** for very little money.

All you have to do is! Obtain a referral from your C4K designated representative at one of the Los Rios Campuses. You will need to schedule an appointment with C4K by calling (916) 572-1152. Then attend a 30-60 minute orientation at one of our sites in West Sacramento to learn how to use it.

To Qualify? Ask a representative to confirm that you receive the BOG waiver and have them sign your completed referral. You will be asked to pay \$100-\$200, depending on the equipment you select, and attend a short orientation to learn about it.

Don't Qualify? You can still purchase equipment at our standard rates. Give us a call (916) 572-1152 to schedule an appointment.

What you will receive:

Desktop Computer with a single/dual core processor, Monitor, Keyboard, Mouse, and Surge Suppressor, ready to connect to the Internet. Laptops are also available.

Installed software includes; Windows OS, word processing, spreadsheet, and presentation applications that are compatible with what is being used at school, Personal Virus protection along with other software necessary for computer maintenance and Internet use.

Computer repair and support for as long as you attend an LRCCD institution.

Who we are:

Computers 4 Kids (<http://www.c4kca.org>) is a local charity whose main objective is, improving educational outcomes for students attending WUSD and LRCCD.

We are a Microsoft Registered Refurbisher.

Programs Provided:

Computer donations to children attending the 4th-12th grades within the WUSD and low cost equipment for students attending LRCCD.

Internship opportunities for local High School and College students with technical skills.

To provide businesses with an appropriate pathway for computers that no longer meet the needs of state of the art business applications.

Cosumnes River College EOPS/CARE Students may be eligible to participate in this program.

Please contact the EOPS/CARE Office located in L-106 for additional information and to see if you qualify.
