

# FREE Narcan & Fentanyl Test Strips

Pick up at your Student Health and Wellness Center

## One Pill Can Kill

Every year our community has an increase in opioid overdose deaths!

Communities where Narcan is widely carried have less deaths due to opioid overdose.

**Carry Narcan and save a life!**

**75%** of US overdose deaths are opioid related

**98%** of street pills tested are fake and made to look like a prescription pill

**98%** of pills tested contained a fatal doses of fentanyl\*

## Harm Reduction Messages

- Always carry NARCAN® (**FREE** @ your SHWC)
- Don't take or buy prescription medication through social media or anyone else
- Only take medication that comes from a pharmacy or your doctor
- Test your drugs using fentanyl testing strip kits (Get **FREE** kits at your SHWC)
- Don't use alone and always start with small doses
