NOTE: Courses listed in more than one GE area may be used to fulfill only a single area unless otherwise noted.

		Complete	In Progress	Needed
<p>Completion of all of the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.</p> <p>The course requirements for all areas must be completed for IGETC to be fully certified. Partial certification may be granted in certain instances. See a Counselor for more information. Each course must be completed with a grade of "C" or better.</p>
