SLADE SUMMIT - SPRING 2020

WINTER RETREAT - FALL 2019
All Board members gathered for a fun retreat where they learned more about their roles and responsibilities with the campus.

CCCSSA CONFERENCE
A 3-day conference focuses on building individual student leadership and technical skills and professional collaborative connections

LOBBY DAY - SPRING 2020
We spent a day at the Capitol to learn about advocacy and lobby for SB291, a bill that suggests non-tuition financial-aid for community college students

ADVOCACIES, CONFERENCES, SUMMITS AND RETREAT
So far, we have gone to summits, retreat and conferences to build our leadership and networking abilities. Those leadership events bring us nourishment because they encourage, motivate, and inspire us to bring what we learned there back to the campus and advocate for our students.
OUR CAMPUS IS OUR LOVE AND PASSION

Below are some events we held. Holding events is one way we engage with the student body, enhance campus life, and support our clubs and students.

“CLUBS AND STUDENTS ARE THE LIFE OF A CAMPUS. WE WORK EVERYDAY TO PROVIDE CLUBS SUPPORTS AND CREATE EXCITING EVENTS FOR STUDENTS.”

HAWK-O-WEEN

IN THE SPOOKY SPIRIT OF HALLOWEEN, THE HAWKS ALSO SHOWED OFF THEIR CREATIVITY AND QUIRKINESS AT HAWK-O-WEEN. IT WAS ALSO AN OPPORTUNITY FOR CLUBS TO DO FUNDRAISING.

HAWK WEEKS

STRESS RELIEF

HELD AROUND FINALS TO ALLEVIATE STUDENTS’ STRESS. WE PROVIDED STUDENTS WITH COLORING PAGES, COFFEE, STRESS BALLS, AND YOGA LESSONS.

A THREE DAY LONG EVENT AND THE PURPOSE OF THE EVENT WAS TO ENGAGE WITH THE STUDENT BODY AND INFORM THEM ABOUT STUDENT GOVERNMENT, VOLUNTEERING/LEADERSHIP OPPORTUNITIES AND CLUBS. CLUBS WERE THERE AND THEY ACTIVELY RECRUITED LOTS OF MEMBERS. WE ALSO HAD DOGS THERE, FOR STUDENTS TO PET. THANKS TO THE ASSOCIATION OF VETERINARY TECHNICIAN TRAINEES.
