Memorandum of Understanding (MOU) for CyberWatch West Members

This document will serve as an agreement between Cosumnes River College and CyberWatch West, located at Whatcom Community College in Bellingham, WA

Mission/Objectives: CyberWatch West is a consortium of higher education institutions, public and private schools, businesses, and government agencies focused on building and maintaining a stronger cybersecurity/information assurance workforce. CyberWatch West Members are critical to the growth and strength of the consortium. CyberWatch West Members provide advice, support, and leadership for CyberWatch West programs and activities, and advocate for CyberWatch West programs to the broader professional community.

By signing, you affirm that you have read the attached document outlining Member Benefits and Responsibilities, have a clear understanding of the expectations for your institution and for CyberWatch West, and agree to become an active member of the Consortium.
